**DRINK TAB TYPES;** We offer two types. **Individual Tab** - Everyone is on their own! We'll still put a credit card on file prior to the event for security and liability reasons, but you won't be charged for anything except the rental. **Single Group Tab** - must be 1 single tab and there will be an automatic 25% gratuity added for both types.

**CATERING:** Guests have the option of our food truck, Doughsquad (pizza, empanadas and other hand held food), or the other onsite food truck, Botanita Tres Reyes (mexican food). We have an outside catering fee that varies by day and event type.

**GRATUITY:** All prices include sales tax. For Single Tab events of 15 people or more, the card on file will be closed with an automatic gratuity of 25%.

**RENTAL SECURITY & REFUNDS:** A credit card will be put on file prior to the start of all private events. Half of the payment is taken as the time of the rental to secure the space and the other half is due the day of, before the event. Refunds are only given up to a week before the event.

**SITE DECORATION:** Hopsquad aims to make every event here special and welcoming, and every effort will be made to allow the renter to prepare decorations reflecting their creative requirements. Given the fact that we are also a working production facility, we require that all barriers, shelving units, and other equipment and furnishings remain in place. For your safety, Renter and guests may not enter restricted access areas of the brewery without an escort. Painters Tape and other non-tape lightweight adhesives may be used to affix decorations with prior approval. No scotch tape, packing tape or any type of glue is allowed. No glitter or confetti is permitted on site.

**CLEANUP:** Renter assumes all responsibility for clean up of the space and returning it to its original form. Hopsquad will provide trash cans and bags for renter. Renters leaving an improperly cleaned or damaged space will be charged a cleaning or repair fee.
